

The biggest possibility
to COMMUNICATE
for years is offered by

'Save our planet' day,
at:

Join it,

network it,

promote it,

be part of it.

DON'T miss it!

Inform & inspire the public.

Opportunities like this don't come along often.

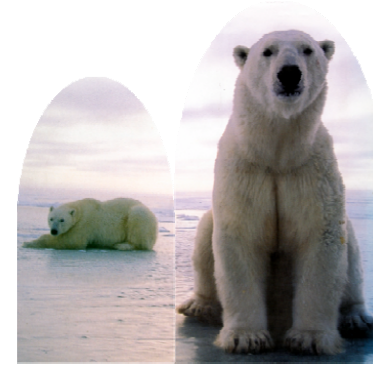

Please help Church
reach out to the community and beyond.
Please help with 'Save our planet' Day on Sat. 7th July, 2007.
This is when we show that the Church is the centre of community for all,
with an environmental emphasis. The Church Centre will be open for the general
public to learn about the environment and how you can reduce your carbon
footprint.
If you would like to help with organisation of the day please contact :
Thank you.
