

The world is at a crossroads.

TrafficLights4Peace

Help me.

Help save our planet.

Come and find out how you can help prevent the ravages of global warming.

Go to a 'Save our planet' day centre on Sat. 7th July, 2007.

What can I do? We help you answer that in practical and simple ways. For your nearest centre look out for local posters, check your local press or go to the website: www.saveourplanetday.co.uk
